

## Together Mission Coordinators

### Together Mission

May 24<sup>th</sup> – June 9<sup>th</sup> 2019 will see the Northampton Methodist District engaged in Together mission across a variety of circuits. The idea is to engage with the communities around us. We will find ways of sharing the good news of God's love for us in Jesus Christ, while also sharing life and learning from others about what God is doing in their lives.

Each circuit involved will create a Together team who plan the dates, places and activities to help them do this.

Other circuits will provide volunteers to be team members coming to support you in your circuit.

There will be training and resources available from the district and further afield, and a district team, including Jill Marsh, district Mission Enabler, and Robert Kasema, from the district Mission Support Group as well as Jennifer Weston, administrator (northampton.together@gmail.com)

### What do we need a Coordinator to do?

The Coordinators will be supported in every way possible by the district team, including the administrator, Jennifer Weston and the district Mission Enabler, Jill Marsh. We hope you will feel able to contact us at any point when you need support. If any of this (below) worries you, don't let that put you off. Just feel free to ask! We are looking forward to working 'Together' on this!

A coordinator will be agreed by the CLT in your circuit and if you agree to be that person then we will need you to:

- Act as the main link with the District Together team, providing details and passing on information
- Encourage prayer for Together mission, in whatever ways work for your circuit

## Together Mission Coordinators

- Promote Together mission across the circuit, including prayer for this
- Coordinate other interested people, so that your circuit can come to a joint agreement about the format and dates for your circuit's 'Together Mission'
- Coordinate the local circuit Together team, including helping them to work well together\*
- Act as the link with the visiting Together mission team from another circuit
- Encourage people in the circuit to offer to be part of a mission team serving a different circuit, where that is appropriate

\*A circuit team might need an administrator, or a 'chair' or a safeguarding person, but this doesn't all need to be you. Your role will be to coordinate the team.

Once you know who your coordinator will be please complete the following details:

Name:
Circuit:

Address
---------

Telephone – Landline
----------------------
